LOGO

The Essenza Relax & Beauty logo is a sophisticated and timeless representation of the brand's commitment to tranquillity and luxury. In front of the black background, the logo features a graceful lotus flower delicately unfolding its petals. The lotus, a symbol of purity and renewal, embodies the essence of relaxation and beauty.

Surrounding the lotus is a radiant gold circle, creating a sense of harmony and completeness. The gold adds an element of elegance, representing the premium quality of the services offered by Essenza. This circular element also signifies the continuous cycle of self-care and well-being.

The brand name "Essenza Relax & Beauty" is elegantly and prominently displayed in gold letters, positioned beneath the lotus within the circle. The choice of gold for the letters adds sophistication, reinforcing the brand's commitment to providing a luxurious experience for its clients.
